How to Upgrade in **5 Easy Steps**

Step 1: Preparing for Customization

Step 2: Choose your Base Unit Options (**1-5**)

Step 3: Upgrade to shelving package **A** or **B**

Step 4: Place your order at www.closetstogo.com/customizedclosetkit

Step 5: Adjust your closet to fit your upgrade

STEP 1: Preparing for Customization

We have made it easy for you to customize your starter kit, by providing you with some options for your base unit; as well as the option to upgrade to our shelving package. Look through this catalogue to select the additions best suited for how you use your closet. Consider some of these questions to help guide you in the selection process.

Do you want more drawer space?

Do you want more room for your shoes?

Do you want more shelf space in your closet?

Note: If you choose any of the base unit options, it is critical to follow the base unit option guide on the back of this catalogue (Step 5) for proper installation. You will need to refer to this guide when you get to page 10 of the **Installation Guide**.
